The books are chosen by the teachers and **they aren't frees.**

In base to the family income it is possible to have a small prize of the books.

Evaluation of the students.

The periodic evaluation develops at the end of three months or four months. The final evaluation consists in the conclusive examination of the first cycle of instruction that the students do at the end of the three years of the scholastic run.

Periodic and annual evaluation

At the end of every period and at the end of every scholastic year, the pupil receives the personal card of evaluation that brings the numerical votes gotten in every discipline and the judgment of behavior. To the goals of the validity of the scholastic year, a pupil must frequent at least three quarters of the annual hourly mountain. The profit is appraised according to a numerical staircase by 4 (insufficient) to 10 (excellent). The behavior is appraised with a synthetic (not enough, enough, good, separate, excellent) judgment. An elevated number of absences or insufficiencies doesn't allow the admission the following class.

Final examination of the first cycle of education

The examination of is conclusive some first cycle of education he takes place at the end of the third year.

The examination to be admitted requisite to the followings they are necessary:

- to have frequented at least the three quarters of the annual hourly mountain;
- to have gotten, in the final evaluation of the third year, an equal vote or superior to 6/10 in every subject;
- to have gotten, in the final evaluation of the third year, an equal vote or superior to 6/10 in the behavior

The examination consists in 3 national tests computer based (Italian, mathematics and English) four tests written on the following subjects: Italian, mathematics and the two study community languages.

Besides the written tests, the students must think an oral interview on all the subjects.

The conclusive examination is appraised in general way with the attribution of an only vote expressed in tenth.

The final vote is calculated making the average of the votes gotten in all the written tests, in the oral interview and in the judgment of admission to the examination.

The examination is old with positive result if the evaluation is equal or superior to 6/10.

Pact of co - responsibility

To the moment of the registration, parents and students sign the "**pact of responsibility**", a document that defines in detailed way the rights and the duties of the school, the families and the students.
